

The GOSPEL Age

The GOSPEL Age is named after the GOSPEL message of the Bible.

This message is that Jesus died for ALL mankind. This is "GOOD TIDINGS of GREAT JOY which shall be to ALL people."

The TIME when the GOSPEL is being preached is called the GOSPEL Age. The message of the GOSPEL has gone out over the

whole WORLD for over 1900 years. The purpose of the GOSPEL

Age has been to call out a people for God's name. Jesus said that only a little flock of sheep would truly believe in him during the

GOSPEL Age. These believers would be just a small HANDFUL out

of all the many MILLIONS who have heard about God's only begotten SON. God is not trying to convert the whole WORLD

now. That work is for God's KINGDOM to come on EARTH. God promised that all who truly believe in His SON Jesus now, and who

prove FAITHFUL unto death, will be given a CROWN of glory and will REIGN with Jesus over the WORLD in God's

KINGDOM. Jesus' followers are called by many names, like SHEEP,

the BRIDE of Christ, and the CHURCH. Also, Jesus taught that he

was the GRAPEVINE and his disciples are the BRANCHES. During

the end of the GOSPEL Age, the CHURCH is called WHEAT in a

WHEAT field, and we are now in that HARVEST TIME. Jesus is now

gathering together all who truly LOVE him. When the last grain of

WHEAT is harvested, then the whole WORLD will learn to LOVE God,

because CHRIST & his BRIDE will reign over them & teach them

God's RIGHTEOUS and MERCIFUL ways.
